Step by Step Supplier Guide

To

British Council’s e-Tendering Portal
Introduction

This Step-By-Step Guide is provided to assist you in using the (In-tend) e-tendering system. Once you have registered, you will be able to maintain your company information, return tender submissions and maintain company/contract documentation in a secure area via the internet.

If you encounter any difficulties whilst using the system you can contact out Support team by phoning 0844 2728810 or emailing support@in-tend.co.uk

Registering on the e-Tendering system

Visit https://in-tendhost.co.uk/britishcouncil to access the (In-tend) supplier portal.

From the homepage click on Register
Registration process

As part of the simple registration form you will be asked to complete your **Company Details**, **Company Contact Details** and **Primary User Details**. Email alerts and actions will be sent to the email addresses you provide, so if possible it is useful to enter a general company email address in the **Primary User Details** section such as info@****.co.uk.

For cases where this person or inbox may be unavailable, we strongly recommended you add an **Additional User** (located at the bottom of the screen) so they can gain access to the site and also receive a copy of the emails. All Yellow fields are mandatory.
Whilst registering you may only add one additional point of contact, however after the registration is complete you may login to your account and add as many additional contacts as you like.

In the Business Classifications tab you are able to add the business category codes relevant to your company. Enter a keyword or click on the search button to see the full list of available categories. Click the blue + symbol to add a category you require. You can add multiple categories.

Once you are happy with the details click on Register My Company

You should not register your company more than once, unless they are under a separate company registration number. If your company has several locations, register the company against the head office and add contact details for individuals at the different locations. You can add one additional user at the time of registration. Once registered, you can add several contacts in the Company Details section.
Once registration is complete, the system will then thank you for registering and inform you that your details are being processed. You will then shortly receive an email with confirmation of your email and password.

Managing your Company Details

If you need to update your company information you can do this from the Company Details section on the top menu bar. From here you can edit/add information regarding the company, contact details, company documents and business classifications.

Please note that it is important that you do keep your details up to date, particularly your contact email addresses as you may miss out on tender opportunities which may be of interest.
Tender Opportunities

To access tender opportunities hover over the **Tenders** section at the top menu bar and then click on **Current**, this will provide you with a full list of current tender opportunities. For a tender that you are interested in you should click **View Details**.

From the Tender Management screen you are able to **Express Interest** in the tender.
You will then be asked to either log into an existing account or register a new one.

Once you have expressed your interest you will instantly see an update as to your status in the tender process and it will tell you that your expression of interest is being processed.

Once your expression of interest is received and accepted by the organisation (this may not happen straight away) you should receive an email saying that you have received tender documents and you should login to the secure area of the website to access them. If documents are immediately available, you will be taken straight to the latest tender stage screen.

If you are not currently logged in, from the homepage you should enter your email address and password then click Login.

*Please note that you are given three attempts to enter your email address and password. Please ensure you click the Forgotten your Password button if you cannot remember your details otherwise your account will be locked!
Once you are logged in, go to the **Tenders** section at the top menu bar and click on **My Tenders**, find the tender that you are dealing with and click **View Details**. From the Tender Management section, you can easily see what your status is within the tender process. You will be able to see tabs running across the top. The tab which is **RED** is the current stage of the tender process (eg. Pre Qualification Stage, Invitation to Tender stage).

---

**Submit Tender Return**

If you click on this tab (e.g. ‘ITT’) you will go into the section where you can access the tender documents. At the top of this section you will see instructions as to how to attach and submit documents which you should read carefully as they talk you through step by step. In this section you will see the follow headings:

- **Tender Documents Received**: View and/or download tender documents received
- **My Tender Return**: If any mandatory documents have been requested, they will be shown in the **My Tender Return** section against a **Red** button. You will need to attach them using the **Attach Documents** button within the **My Tender Return** section at the bottom of this screen.
  
  If a Questionnaire is required to be completed, it will be shown in **Red** and marked **Not Started** in the **My Tender Return** section. It is mandatory that any Questionnaire’s must be completed.
- **Attach Documents** (if available): Attach any additional documents you wish to return as part of your tender submission; these will upload to the **My Tender Return** section.
- **Submit Return**: Click the Submit Return button only when you are completely happy that you have all the documents uploaded that you need to submit.
Once you have submitted your return you will be able to view a **Return Receipt** which confirms all the details of your submission. This will always be available to view within the **History** tab.
If for any reason you wish to amend your return you may be able to do so by going into the stage tab again. The screen visible will show you all the documents that you returned as part of your original submission. If you want to remove any documents or add additional documents you can do this now.

Please note you should ensure that ALL the documents which you wish to be evaluated as part of your tender return are included in the My Tender Return section before you click on Modify Return as you are overiding the first return!
**Correspondence**

This procedure is used to receive and send a communication regarding a tender/contract via the website.

If you receive Correspondence you will firstly receive an email alert informing you of this. You will need to login to the secure area of the system to view it. When you first login you will see on the homepage in red a prompt to say that there are unread correspondence. If you click on the link it will take you straight through to the message.

Alternatively, you can view the message through the Tender Management screen where it will tell you in brackets how many correspondence there are in the Correspondence tab. You can view the message, view any attachments and also make a reply.

You can also view Correspondence through the **Messages** tab at the top of the screen.
**Clarifications**

If there are any Clarifications made against the tender you can access them by viewing the tender details and a new tab will appear. It will tell you how many clarifications there are in brackets. Click on the Clarifications tab to view.

![Clarifications Tab](image)

NB. If you require clarification regarding the tender you should send your clarification request via Correspondence.

**Actions**

This procedure is used to send you tasks which should be completed by a certain date. The system will send out automatic reminders for you to complete Actions.

If you receive an Action email, log in to your homepage and a red link will appear on screen. Click on the red link or hover over **Messages** at the top menu bar and then click Actions.

![Actions Tab](image)
You will be taken you to this screen where you can view details of the action placed against you.

Read through the Action and make sure everything requested is completed then click COMPLETE ACTION.

Tender History

Within the My Tenders section you will see the History tab where there is a log of your involvement of the tender, right from your expression of interest to the current status.

If you require any additional information or help, please contact the In-tend Support Desk.
